Connecting Rotaractors & Rotarians Across Zones

Vision & Purpose: To create a network of Rotaractors and Rotary partners who collaborate virtually and in-person in the areas of service, professional development, leadership training, and fellowship. By doing this we will create a strong and sustainable infrastructure and support network for Rotaractors and Rotarians to utilize.

Collaboration

Vision & Purpose: To create meaningful opportunities for you, your clubs, and Rotarians to be connected and engaged in a mentorship relationship. In doing so, we will be able to help strengthen this partnership while also providing much needed career and professional guidance to you and your members while building lasting relationships.

Education & Connection

Vision & Purpose: To provide you with necessary education pieces regarding membership, public image, and sustainable service project development to share with your clubs and districts. In doing so, Rotaractors and Rotary partners will possess a greater understanding of Rotaract ideas, strategies, and opportunities.
