Adding a Member Key Takeaways

- The email address is the most important information. Without the correct email address in the database, the member is unable to register for their own MyRotary account.
- Once a member is registered into MyRotary, they can then update their own address, phone number and any additional information they'd like to include.

Key Takeaways

- Make sure there is a President reported at all times
- If you're not currently designated as club president, contact your DRC DRR or your District's club and District Support Representative. Provide them with your corresponding email address and they will work with RI to get you uploaded into the system. Find your District's Club and District Support [HERE](#).
- Email addresses are important in linking a MyRotary account with your club. It is important that this information is correct.
- Once you have access into MyRotary then you can explore all the areas to help your club.
